NEW OFF SITE REGISTRATION FOR 2016

For your convenience, we will have off site registration starting next year 2016. By having the off site registration, this will help elevate the traffic issues we have all dealt with for so many years here at the park. The new off site registration location will be the New Gas City Fire Department building located on East Main Street (SR 22/35) just east of town and at the stop light in front of the Wal Mart Distribution Center - 5050 East - 500 South. We are working to make the Ducktail Run the best it can be, so there will be a few more changes for 2016.
